

Luxury Chairs

Beautiful Creations Weddings & Events

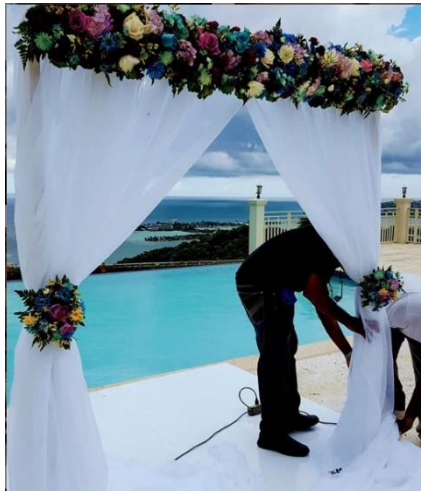

The bridal bouquet is a **collection of flowers held by the bride as she walks down the aisle**. It's meant to be a complementary addition to the overall theme of the wedding and the style of her dress.

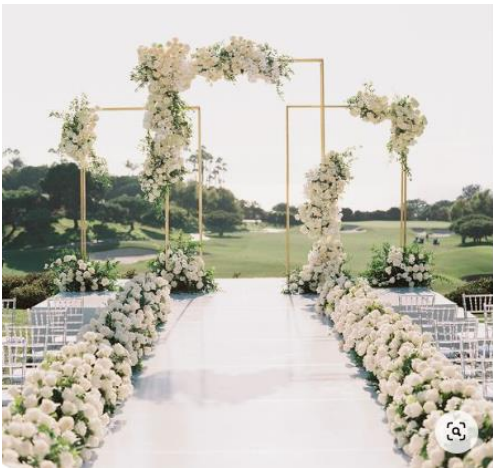

Beautiful Creations Weddings & Events

The focal point of your ceremony is your Arch/canopy of just a pedestal with floral arrangement and draping.

Your wedding design can be what you want it to be; from just a simple draping to a full floral arch. We can get you any shape size you desire.

Beautiful Creations Weddings & Events

Centerpieces are central objects which serve as decorative purpose

Candle Reflection Centerpieces.

These are elegant and can be varies, mixing with floral or additional candles. These are also recommended for indoor receptions to keep candles burning throughout

Candles and Floral Mix Centerpieces

These are usually low, can be minimal in terms of floral with additional candles in different heights for ambiance and sophistication. These work great with both and long tables

Tall Floral Centerpieces

Give your table new heights and make a statement with bold tall centerpieces, these are very elegant; and can also mix with candles to enlighten your table, these work for both round and long tables (*will suggest using more than one when using long tables*)

Rustic Centerpieces

Rustic wedding is very popular, and rustic centerpieces will keep everything together and contribute to the normal mood of the occasion. Wood, leaves, tree branches, fruit, flowers, These are normally low.

Greenery Centerpieces

Also known as "nature's neutral" **greenery** adds a lush, organic pop to any color scheme or wedding style, it super cost friendly, Use assortments of leaves, cascading runners, mini potted mixtures or tall **foliage** for a natural take on traditional **center pieces**.
